Section 1: Campus Security Authority:

List campus security authority personnel (definition at KRS 164.948(2)):

<table>
<thead>
<tr>
<th>President</th>
<th>Vice President, Academic Affairs</th>
</tr>
</thead>
<tbody>
<tr>
<td>Vice President, Administration/Finance</td>
<td>Dean of Students</td>
</tr>
<tr>
<td>Coordinator of Residence Life and</td>
<td>Director of Campus Safety</td>
</tr>
<tr>
<td>Student Activities</td>
<td>Campus Safety Officers</td>
</tr>
</tbody>
</table>

Describe the extent and nature of enforcement authority of campus security authority personnel:

We do all incident reports and assist student life with any problems on campus and in the residence halls. Our reports are forwarded to the President and Dean of Students for any disciplinary action.

Describe the working relationship of campus security authority personnel with state and local police agencies:

We have established a good working relationship with all state and local police agencies. The local and state agencies work in conjunction with our safety personnel by providing training sessions. Timely responses to any emergency calls are also indicative of the working relationship between our safety department and police agencies.
THOMAS MORE COLLEGE  
Crestview Hills, KY 41017

Activity Reported for Calendar Year 2004.

Section 2: Description of Information programs.

Describe the programs that inform students and employees about:

(a) Campus safety and security:

   Articles in monthly newsletter, fire safety, crime prevention in dorms, etc.  
   Handouts are at four different locations.  
   Annual and monthly campus safety reports are available.  
   Sponsored events with the local police, fire and ems departments.

(b) How to report a crime:

   Faculty and staff emergency handbook, the student handbook, and the residence life handbook.  
   By calling, anonymous tips and email.  
   Through the Web.

(c) How to prevent crimes:

   Faculty and staff handbook, and the student handbook.  
   Prevention Awareness Programs.  
   Engraving Program.  
   Key Logs.  
   Electronic Card Locks.
