Thomas More to Add Track and Field

(CRESTVIEW HILLS, Ky.) - Thomas More College Director of Athletics, Terry Connor, announced today (Thursday, May 28, 2009) that the College will add men's and women's track and field to the school's athletic department.

The two teams will compete on the club level during the 2009-2010 academic year and the College will look at elevating the teams to varsity status the following year. When the teams are elevated to varsity status it will bring the number of total intercollegiate sports at Thomas More to 16. Thomas More currently offers men's and women's cross country, football, men's and women's soccer, women's volleyball, men's and women's basketball, baseball, softball, men's and women's golf and men's and women's tennis.

"We have had the addition of track and field on our radar for some time," Connor said. "With the first phase of The Bank of Kentucky Field, and Griffin Plaza nearing completion, we thought it was natural to start a track and field program."

Thomas More, located in Crestview Hills, Kentucky, competes in the 10-member Presidents' Athletic Conference (PAC) and is a member of NCAA Division III.
