The Board of Trustees at Thomas More College approved the 2015-2020 Strategic Plan in December of 2014. The administration immediately began implementation plans and has made significant progress during each successive academic year. This report highlights some of the major accomplishments of the 2017-2018 academic year and provides the metrics by which the College is measuring success within the Strategic Plan.
The Strategic Plan enables the College to establish a strong financial foundation to carry itself into the foreseeable future. Value More - Engage More - Thrive More encourages relevant educational and student experiences, resulting in a Character Return on Investment (ROI) as students meet the challenge of a values-based education and develop into well-rounded, ethical leaders; provides programs and tools to ensure that more students successfully initiate and complete a Thomas More College education, resulting in a Career ROI; develops Community ROI, through engagement with a close-knit, caring network of faculty, staff, administration, and alumni, in addition to serving neighbors in need.

Thomas More College strives to become the Catholic liberal arts college of choice exemplified by superior teaching and an innovative spirit. The College equips students to engage the world with integrity for their whole lives. In traditional curriculum and adult education, Thomas More College is a learner-centered institution. Building on a solid foundation of the Catholic liberal arts intellectual tradition, students are educated to meaningfully contribute to work, family, and community. Value More - Engage More - Thrive More provides a foundation for students to successfully meet challenges and engage the world. Each individual is guided to Value More—for a meaningful education, Engage More—for student success, Thrive More—for a prosperous future on a journey to develop a meaningful career and a faith-filled, ethical life.

Thomas More College seeks to Value More—Engage More—Thrive More by challenging graduates to pursue faith-filled lives characterized by acts of wisdom, ethical leadership, and commitment to social justice. Together faculty, staff, administration, alumni, and friends of the College illuminate what it means to flourish in our modern, interconnected world while pursuing honest work, promoting responsible and respectful stewardship of God’s resources, seeking justice and peace, and embodying loving, compassionate service to others.
GOAL 1: VALUE MORE

*Highlight the meaning and relevance of a Thomas More College education*

- **Strategy A:** Enhance appreciation of its Catholic liberal arts identity
- **Strategy B:** Develop and model the Thomas More College experience
- **Strategy C:** Deliver a core curriculum consistent with the Thomas More College mission and relevant to students within the current landscape of higher education

**Progress for 2017-2018**

**Strategy A: Accomplishments**

- Finalized statement on the Catholic Identity of the College.
  
  The Catholic Identity of the College is expressed by the visibility of Catholic values in all aspects of the life of the college. These values are
  >> the search for truth,
  >> the recognition of the dignity of each human person, and
  >> the provision of service to others
  all within an atmosphere of mutual respect.

- TMC Community Day held in April to clean up our surrounding community
- Acton Institute for the Study of Religion and Liberty attended by President David Armstrong
- Review of Ethical Leadership Studies courses by Theology faculty
- Student-led Service Leadership Team increased focus on awareness and value of service projects
- Agape Latte program growing to 11 student leaders and an average of 40 students at each event. The series is also used as a recruitment tool for the Bishop Foys Ministry and Service Scholarship.

**Strategy A: Measurement of Progress**

**STRATEGY B: ACCOMPLISHMENTS**

>> Redesigned website for adult and graduate programs

>> Social media strategy revamped to highlight students

**STRATEGY C: ACCOMPLISHMENTS**

>> Core curriculum outcomes approved.

The Core Curriculum provides a liberal arts education rooted in the Catholic Intellectual Tradition to develop lifelong learners who

>> seek truth, goodness, and beauty in its varied forms;

>> understand and appreciate one’s role in the world; and

>> are committed to morality, justice and the common good.

In pursuit of these goals, all graduates will be able to:

1. Evaluate the merits of arguments, created materials, and behavior against standards based in faith and reason, science, aesthetics, and ethics

2. Respectfully evaluate their worldview in relation to the worldviews of others

3. Examine social issues with an awareness of Catholic tradition of justice

4. Demonstrate habits of curiosity, reflection, and independent inquiry using knowledge and skills drawn from multiple disciplines

5. Communicate effectively through speech and writing

>> Developed assessment measures for each core outcome

**STRATEGY C: MEASUREMENT OF PROGRESS**

| Percentile Rank of Seniors on Proficiency Profile test compared with TMC’s Carnegie Class (the Proficiency Profile measures four core skills - critical thinking, reading, writing, and mathematics) |
|---|---|---|---|---|
GOAL 2: ENGAGE MORE

Ensure successful completion of a Thomas More College education by building a culture of continuous improvement

- **Strategy A:** Commit to continuous improvement through program evaluations and make decisions based on the results
- **Strategy B:** Explore and implement new curricular programs and expand on current programs
- **Strategy C:** Ensure pathways for students to complete programs and launch careers
- **Strategy D:** Increase and enhance co-curricular and extracurricular activities

**Progress for 2017-2018**

**STRATEGY A: ACCOMPLISHMENTS**
- Board of Trustee Self-Evaluation completed
- Administrative Annual Reports completed
- Alignment of departmental assessment, goals, and budgeting process

**STRATEGY B: ACCOMPLISHMENTS**
- Graduate Steering Committee established to formalize practices and policies in order to support graduate and adult programs
- All current adult programs offered online
- Standards established for all online courses, which must meet six principles of online pedagogy: Engagement, Community, Presence, Accessibility, Ethics, and Feedback
- Global Initiatives Office established – supported 48 students on study abroad programs, joined the Kentucky Institute for International Studies (KIIS) to support faculty and students in studying abroad, and joined the National Association for Study Abroad Professionals to adopt best practices for study abroad
- Inaugural SCUBA class of Marine Biology track completed training to become certified Open Water Divers

**STRATEGY B: MEASUREMENT OF PROGRESS**
- Target: Explore at least one new program per year
  - Minor in Bioinformatics and Computational Biology
  - Bachelor of Arts in Special Education
- Target: Explore at least one expanded program per year
  - Certificate in Ethical Leadership
  - Minor in Biochemistry
  - Concentration in Forensic Science
**STRATEGY C: ACCOMPLISHMENTS**

>> First graduating class with 100% completion of experiential learning requirement
>> 47 first year students attended Camp Summit, a three day summer workshop on academic success, leadership, and campus involvement
>> Joe Raphael Institute for Career and Graduate School Planning Studio established allowing students and alumni access to technology and a polished backdrop for job interviews, video conferencing, and networking opportunities
>> Work Ready Incubator launched in partnership with Gravity Diagnostics. The Work Ready Incubator provides an opportunity and space for employers to work with TMC students in co-ops, internships, or full-time positions to enhance student skillsets while meeting company needs. Students are mentored by an alumnus, representative from the business community, and a TMC faculty member
>> University of Alaska Fairbanks partnership expanded to provide experiential learning opportunities for athletic training and biology majors
>> UK College of Medicine partnership established to allow TMC sophomores guaranteed admission to the Northern Kentucky campus of UK Medical School if they maintain their grades, score well enough on the MCAT, and complete the program enrichment activities designed to prepare them for application to medical school and help them learn more about the medical profession
>> Student Dashboard developed to provide a single application for faculty and administrators to view critical data about student success
>> Sleep Deprivation Program with students to share the benefits of sleep, effects of sleep deprivation, and strategies for better sleep
>> Campus Counseling Center classroom presentations on Stress Reduction, Mindfulness, Wellness, and Motivation
