

Exhibitors and Sponsor Information

On October 06-08, 2021, Thomas More University will be hosting the annual Ohio River Basin Alliance Summit in conjunction with the Ohio River Basin Consortium for Research and Education Symposium. This joint conference brings together academics, educators, governmental officials, scientists, and citizens interested in the health of the Ohio River from an economic, environmental and social perspective.

With the newly-released strategic plan for the Basin, coupled with growing interest at the local, state and federal levels, this year's conference promises to attract a large crowd, and we want to present you with the opportunity to highlight and showcase your organization, as you show your support for the economic vitality, healthy environment, and high quality of life throughout the Ohio River Basin.

Opportunities include:

- **Presenting Sponsor:** \$3000, includes top billing on all social media and print materials, both online and onsite; includes three complimentary registrations for the conference.
- **Primary Sponsor:** \$1500, includes mention in all social media and print materials, both online and onsite; includes two complimentary registrations for the conference.
- **Banquet Sponsor:** \$500, includes listing in online and onsite program and signage during the conference and one complimentary registration for the conference.
- **Exhibitor Table:** \$500 includes listing in online and onsite program and on signage during the conference; includes one table in prominent location near the majority of the talks and one complimentary registration for the conference.
- **Lunch or Break Sponsor:** \$250, includes listing in online and onsite program and signage during the conference and one complimentary registration for the conference.
