

THOMAS MORE
UNIVERSITY

Business Administration 3+1 MBA Pathway

Description:

Students who are highly motivated in high school can plan ahead for enough dual credit or AP credits that will allow them to transition into Thomas More University’s Business program early, complete a Bachelor of Business Administration within three years, and take an additional year to complete a Master of Business Administration (MBA).

By completing **ALL** of the credits required below, students have the potential to eliminate a full year off of their post-secondary degree work towards Business Administration.

Dual Credit or AP Courses Required:
