The termination of any claim, action, suit or proceeding by judgment, settlement (whether with or without court approval), conviction or upon a plea of guilty or nolo contendere, or its equivalent, shall not create a presumption that a Covered Person did not meet the standards of conduct set forth herein.

INDEMNIFICATION

Section 2. Every Covered Person who has been, based on a final adjudication rendered by a court of competent jurisdiction, successful on the merits or otherwise with respect to any claim, action, suit, or proceeding of the character described in Section 1 shall be entitled to indemnification as a matter of right. Except as provided in the preceding sentence, any indemnification under Section 1 may be made by the Board of Trustees for any Covered Person or any employee of the University, in the Board's discretion, but only if either (1) the Board, acting by a quorum consisting of Trustees who were not parties to (or who are finally adjudicated by a court of competent jurisdiction to have been successful with respect to) such claim, action, suit or proceeding, shall have found that the Covered Person or employee has met the applicable standard of conduct set forth in Section 1; or (2) if there be no such disinterested quorum, independent legal counsel (who may be the regular counsel of the University) shall have delivered to the University written advice to the effect that in his/her judgment such applicable standard has been met. Notwithstanding anything in this Article to the contrary, no person shall be indemnified in respect of any claim, action, suit or proceeding initiated by such person or his/her personal or legal representative (other than an action to enforce indemnification rights hereunder or an action initiated with the approval of a majority of the Board).

ADVANCES

Section 3. Expenses incurred with respect to any claim, action, suit or proceeding may be advanced by the University prior to the final disposition thereof upon receipt of an undertaking by the Trustee, director or officer to repay such amount as shall ultimately be determined not to be payable to him/her hereunder.

The University, by authorization of the Board of Trustees, shall purchase and maintain insurance on behalf of any person who is or was a Trustee, director or officer, against any liability asserted against him/her and incurred in any such capacity, or arising out of his/her status as such, whether or not the University would have the power to indemnify him/her against such liability under this Article.

VALIDITY

Section 5. Subject to the limitations provided in this Article, it is the intention of these Bylaws to give the Trustees, directors and officers the maximum indemnification permitted under the law of the Commonwealth of Kentucky as it now exists or may exist in the future. The rights of indemnification provided hereunder shall not be deemed exclusive of other rights to which any such Trustee, director or officer now or hereafter may be entitled, shall continue as to a person who has ceased to be a Trustee, director or officer, and shall inure to the benefit of such person's heirs and legal representatives. If any provision or portion of this Article shall be found, in any action, suit or proceeding, to be invalid or ineffective, the validity and effect of the remaining parts shall not be affected.

- Section 1.*

 - (b) All Trustees shall disclose to the Board any possible conflict of interest at the earliest practicable time. No Trustee shall vote on any matter, under consideration at a Board or Committee meeting, in which such Trustee is considered by the Board to have a conflict of interest. The minutes of such a meeting shall reflect that disclosure was made and that the Trustee having a conflict of interest abstained from voting. Any Trustee who is uncertain whether a conflict of interest may exist in any matter may request the Board or appropriate committee to resolve the question by a majority vote.
