TRANSFER PATHWAY GUIDE 2025-2026

Associate in Applied Science in Nursing to
Bachelor of Science in Nursing (RN to BSN)

Overview

Completion of the following curriculum will satisfy the requirements for an Associate in Applied Science (AAS) in Nursing at a Kentucky Community and Technical College System (KCTCS) institution and leads to the Bachelor of Science in Nursing (BSN) at Thomas More University.

Applying to the Pathway Program

Students can apply to participate in the pathway program by completing the online application on the [Thomas More transfer webpage](#). Students must be actively enrolled in an associate degree program at a KCTCS institution and plan to transfer to Thomas More. Students with less than 12 collegiate hours completed post high school must have a high school GPA of 3.0 or higher. Those with 12+ collegiate hours must have a 2.0 KCTCS GPA or higher.

Students participating in the transfer pathway program will be concurrently admitted to Thomas More as non-degree (visiting) students. Students are expected to maintain a 2.0 GPA to remain in good academic standing while in the program.

Degree Requirements for KCTCS

1) Minimum cumulative GPA 2.0, 2) minimum of 25 percent of credit hours required for the degree earned at the institution awarding the degree, and 3) demonstration of digital literacy.

Acceptance into the Associate Degree Nursing program is based on a selective admissions process. In order to be considered for admission, applicants must comply with college and program admission requirements.

Progression in the Associate Degree Nursing program is contingent upon achievement of a grade of "C" or better in each biological science, nursing and mathematics course and maintenance of a 2.0 cumulative grade point average or better (on a 4.0 scale).

Note: The Kentucky Board of Nursing may deny a nursing graduate admission to the NCLEX-RN Exam if an individual has been convicted of a misdemeanor or felony which involves acts that bear directly on the qualifications of the graduate to practice nursing.

Admission Requirements to Thomas More

Students enrolled in the transfer pathway program who complete their associate degree through a KCTCS institution are guaranteed admission to Thomas More and will be directly admitted, no application or application fee required.

However, nursing is a select admission program. Students wishing to enter the RN to BSN program must meet the below criteria:

1. Earned an associate degree in Nursing from an accredited institution with a minimum GPA of 2.50 on a 4.0 scale
2. Hold a current encumbered RN license from the state of Kentucky. Applicants licensed in other US state should visit the Kentucky Board of Nursing website for information on how to be licensed in Kentucky.
3. Earned a grade of "C" or higher in BIO 211/211L, BIO 212/212L, ENG 150, AND PSY 105.
4. Complete the Health and Academic file requirements as outlined in the RN to BSN handbook.
5. Submit a completed RN to BSN Application Form to the Nursing Department by the appropriate deadline. Application forms may be obtained from the Nursing Department.

Degree Requirements for Thomas More

To earn a bachelor's degree at Thomas More, students must complete a minimum of 120 credit hours. In addition, at least 25% of the credit hours (the final 30 hours) must be completed at Thomas More. Students must earn a C or higher in each course in the major.

General Transfer Information

The RN to BSN program is an accelerated, online program. Courses are completely online and offered in an eight-week format. Tuition and scholarships for online, accelerated programs differs from regular tuition and scholarships, and students pay per credit hour.
