Total Credits: 120+

Courses in bold are required for the psychology major.

All students need at least 1 credit hour of Experiential Learning (EL). This can be fulfilled through PSY 300, 301, 406, or any department approved EL experience.

Students interested in an internship would take the online Internship Workshop in year 3 or 4, prior to the internship experience.

Electives in Psychology include: Workplace Psychology; Health Psychology; Psychology of Prejudice & Discrimination; Advanced Abnormal & Clinical Psychology; Personal Growth; Positive Psychology; Adult Developmental & Aging; Psychology and the Law.
