

THOMAS MORE
UNIVERSITY

Psychology

Dual-Credit Pathway

Pathway Description:

Students will study and learn normal and abnormal behavior, learning, development and cognition, as well as how to conduct research in psychology. As a psychology major at Thomas More University, students will attend small classes, usually with less than 25 students, and become acquainted with both applied and scientific aspects of the field. Students will have the opportunity to intern at a hospital, social service agency, or in industry. Students also can conduct and present research at an undergraduate conference and to engage in service projects related to the major. Such experiences contribute to the student’s success in entering graduate school or the workforce.

Pathway Courses (to be taken in order):

Course	Title
PSY 105	General Psychology
Pick one of the following:	<ul style="list-style-type: none"> • PSY 201 – Statistics for Behavioral Sciences, • PSY 205 – Social Psychology, • PSY 206 – Abnormal Psychology, or • PSY 214 – Lifespan Development
Pick one of the following:	<ul style="list-style-type: none"> • PSY 201 – Statistics for Behavioral Sciences, • PSY 205 – Social Psychology, • PSY 206 – Abnormal Psychology, or • PSY 214 – Lifespan Development
Pick one of the following:	<ul style="list-style-type: none"> • PSY 201 – Statistics for Behavioral Sciences, • PSY 205 – Social Psychology, • PSY 206 – Abnormal Psychology, or • PSY 214 – Lifespan Development

Pathway Course Descriptions:

- **PSY 105 – General Psychology**
 - *Note:*
 - *This course can fulfill the Social Science core requirement at Thomas More.*
 - Prerequisite: None
 - Description: An introduction to the field of Psychology and to the methods of study used by psychologists. Emphasis is placed on a scientific approach to understanding human behavior. Topics covered include the biological basis of behavior, sensation, perception, learning, memory, personality, abnormal behavior, and social behavior.
